

SENIOR ENVIRONMENTAL SCIENTIST/ENGINEER, BRISBANE

- **Boutique Environmental Consultants**
- **Challenging and rewarding projects**

E3 Consulting Australia Pty Ltd (E3) is a professional services firm providing consulting services in the environmental space. With offices in Brisbane and Sydney, we strive to add value by delivering on core specialist skills and exceptional levels of service. Essential skills delivered exceptionally – this defines E3.

An exciting opportunity exists for an experienced Environmental Scientist / Engineer to lead and/or work on a range of large-scale infrastructure projects for E3. Providing excellent working conditions and employer benefits, this company appreciates work-life balance.

Based in Brisbane and reporting directly to the Environmental Manager you should possess experience in managing multi-disciplinary projects, including preparing and implementing Environmental Management Plans (EMP); working in various phases of infrastructure projects; risk assessments and audits; and monitoring and reporting on project compliance. An environmental audit qualification, or ability to obtain a recognised qualification, is highly desirable. Direct experience in one or more of the following aspects would also be an advantage: coastal/water/natural resource management; terrestrial ecology; sustainability; and Environmental Impact Assessments.

To be considered for this role you should possess:

- An Environmental Science/Engineering degree or other relevant degree
- Minimum of five years experience in an environmental role
- At least one year experience in a consultancy environment
- Experience in environmental management, particularly in infrastructure projects
- Good written and verbal communication and experience in relevant environmental documentation
- A demonstrated ability to liaise with clients and other stakeholders

If you are seeking a new challenge and the opportunity to progress your career whilst still maintaining your work-life balance, submit an application quoting: BRISBANE RECRUITMENT – SENIOR ENVIRONMENTAL SCIENTIST/ENGINEER ROLE for consideration to recruitment@e3consult.com.au. See www.e3consult.com.au for more information.
