

## **ENVIRONMENTAL SCIENTISTS/ENGINEERS CONTAMINATED LAND, SYDNEY**

- **Boutique Environmental Consultants**
- **Challenging and rewarding projects**

E3 Consulting Australia Pty Ltd is a professional services firm providing consulting services in the environmental space. With offices in Brisbane, Sydney and Melbourne, we strive to add value by delivering on core specialist skills and exceptional levels of service. Essential skills delivered exceptionally - this defines E3.

As a young dynamic company we are experiencing substantial growth and are seeking to employ suitably qualified and highly motivated environmental scientists and engineers, in the practice area of Contaminated Land Assessment, Management and Remediation.

We are seeking to recruit for positions in Sydney and invite applicants for a number of key positions from 1-2 years experience up to Principal level.

E3 provides its employees with a great working environment, flexible working arrangements, competitive remuneration packages and the opportunity to work on some key projects in Australia. Our staff are incredibly motivated by a working environment that respects diligence, integrity, innovation and technical ability and that allows them to grow and work in a genuine consulting culture.

To be considered for this role you should possess:

- A minimum of 10 years experience in an environmental role, with at least 5 years in a consulting environment
- Knowledge of the Environmental Protection Act 1994 and associated policies and regulations;
- Excellent written and verbal communication skills and experience in relevant environmental documentation
- Demonstrated business development capability in a consulting environment.
- A demonstrated ability to liaise with clients and other stakeholders

If you are seeking a new challenge and the opportunity to progress your career whilst still maintaining your work-life balance submit an application quoting: SYDNEY RECRUITMENT – ENVIRONMENTAL SCIENTISTS / ENGINEERS CONTAMINATED LAND for consideration to [recruitment@e3consult.com.au](mailto:recruitment@e3consult.com.au).
